

Birmingham River Champions: Water chemistry / Urban Riverfly training

On **Saturday 19th October**, we are running a training course on different citizen science techniques. We will first introduce **water chemistry testing (10:00 - 11:30)**, where you will measure a 'cocktail' of pollutants. Then you'll learn about **Urban Riverfly (11:30-15:00 latest)** – 'rivers answer to pond dipping'.
